Capt Ed Garr paying tribute at a crash site...

During the Vietnam War, the United States relied on the helicopter as never before. The helicopter's role in combat expanded enormously in this conflict as thousands of "choppers" rapidly transported personnel throughout the war zone. Heavily armed helicopters offered a fearsome component to ground operations as close air support. With their mobility and firepower "helos" would be the keys operations in Vietnam providing an abundance of both. Helos role in support activities must not be overlooked, as thousands of missions were flown to re-

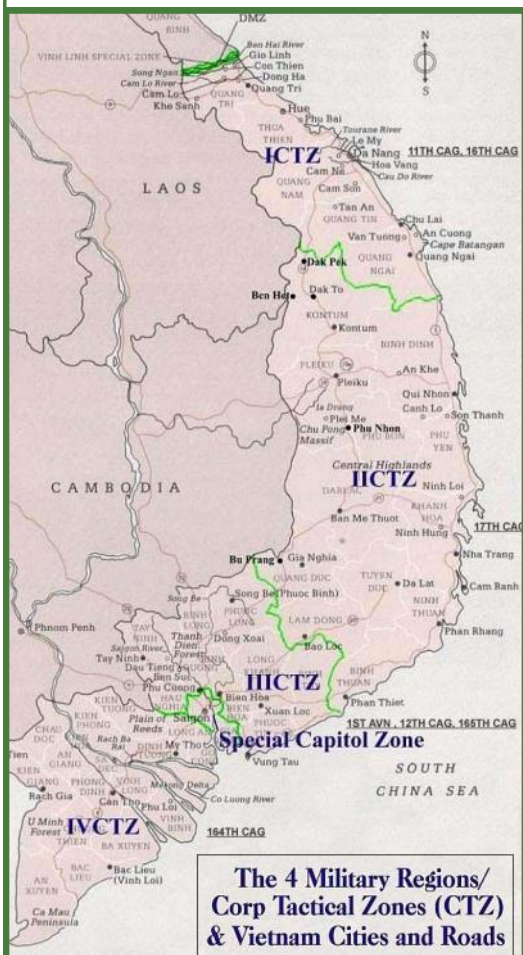

supply and reinforce troops on the ground, to evacuate the wounded, and to offer countless other services for the war effort. The UH-1 "Huey" is the ubiquitous symbol of the American War in Vietnam. Without a doubt, the Vietnam War was the Helicopter War.

There are few times in a man's life when he has the opportunity to walk the places that profoundly shaped the rest of his life --- places with deep meaning for him --- like: **Saigon, Cu Chi, Dong Tam, Phouc Vinh, Bien Hoa, An Loc, Long Bien, Da Nang, An Hoa, Quang Tri, An Khe, Pleiku, Route 9, Tay Ninh, Tan Bien, Song Be, China Beach, Hanoi, the Hai Van Pass,** and many, many more.

The highly experienced, **Vietnam-veteran battlefield guides** of **MILITARY HISTORICAL TOURS** have walked them all. We have an outstanding working relationship with the Vietnam government that allows us access to areas previously restricted to other travelers. Our guides have been back to Vietnam dozens of times and are intimately familiar with the terrain, the battlefields, and the people. They have escorted American veterans and family members, aged 18 months to 84, all of whom had richly rewarding and highly memorable trips. Each tour is custom-tailored from our time-proven basic itinerary. This ensures the most complete tour package possible, taking you to the most important places of your particular time or interest in the war. Vietnam is eager to welcome the returning American veterans. The Vietnamese people are gracious and sincerely happy to have us with them again.

The scenery is great, the food is delicious and the hotels in which we stay are beautiful and very comfortable. Your spouse and children will love it, too.

And now the best part . . . **at only \$3395 per person**, this tour is an outstanding value, making it not only affordable for you to travel, but also to bring other family members. You can invite your friends to come along, too. Together we will visit the sites at which we fought and which are written in our collective history. The price includes everything you see except your airfare, drinks and souvenirs. The single supplement is **only \$895**. If you need to visit any place in Vietnam that is not on the itinerary, please contact us and we will see if we can get you there!
