

**COVID-19 Release, Assumption of Risk, Waiver of Liability & Indemnity Agreement**

Please read the below sections and sign at the bottom confirming that you understand and agree. Call or email if you would like to discuss any point further.

- 1) **I/We know the risk:** Guest(s) is/are fully aware of the current global Coronavirus COVID-19 virus outbreak, the current travel restrictions, and inherent risks involved if choosing to travel and participate in a tour with Military Historical Tours (MHT).
- 2) **Cancellations out of MHT's control:** As no one knows when the worldwide Coronavirus pandemic will end, I/we acknowledge that for this reason, and other reasons not reasonably foreseeable at this time, these travel plans may be interrupted or canceled by a government entity over which MHT has no control. This could be, but is not limited to, government mandates, border closures, quarantine mandates, etc.
- 3) **UPDATED TOUR CANCELLATION AND REFUND POLICY:**
  - If a tour must be canceled due to COVID, we will no longer issue cash refunds.
  - Guests will receive credits for any payments made.
  - If a tour is canceled because of events/decisions out of MHT's control (by government mandate, boarder closure, quarantine mandates, etc.), guests will not receive a cash refund on any payments made. Instead, guests will receive a credit that may be applied to any available tour in the future. It is also transferable to other guests.
  - When a tour is running and is not affected by government mandates related to COVID, the normal cancellation/refund policy applies. This policy is in our terms and conditions, as well as on your Tour Welcome Letter.
- 4) **Vaccination Policy:** As a company we have a uniform policy that all 2021 and 2022 guests, both foreign and domestic, must be vaccinated against COVID-19. Border crossings require vaccinations, and as a group, we can present a consistent, and uniform message allowing for fluid travel, both abroad and in the U.S. **Please scan or photograph a copy of your vaccination card(s) and include them with this form.**
- 5) **Changes to itinerary:** Guest(s) will be informed ASAP if a tour itinerary must be altered in any way. This includes any closures of sites, borders, museums, etc. These changes would be out of MHT's control but we would provide an alternative option.
- 6) **Medical care and quarantine:** Guest(s) confirms that they have adequate financial resources in case medical care is needed relating to COVID-19 and understands the inherent and potential health risks of travel during this time. Guest(s) on international tours also understands that if they test positive for COVID, they will not be allowed to travel back to the USA, and will be required to pay for the quarantine hotel dictated by the local jurisdiction. Travel insurance may cover these expenses.
- 7) **Adhering to local regulations:** Guest(s) agrees to follow local regulations, guidelines, and screening procedures for private businesses (museums, restaurants, etc.) and public entities (jurisdictions that require masks in public, etc.)
- 8) **Negative Covid Test**
  - At the moment, some foreign countries and airlines require guests to present a negative COVID test taken within 72 hours of departure. Guest(s) is responsible for taking and presenting this test at the beginning of the tour.
  - On international tours, guests must present a negative COVID test in order to return to the USA. MHT will coordinate a test so guests have results within that 72 hour window. This will be an out-of-pocket expense.
  - Guests not returning home on the final day of the tour, are responsible for taking this test so that results are within that 72-hour window of your return to the States.
- 9) **Travel Insurance:** To protect all parties, MHT highly recommends that all guests purchase some form of travel insurance. MHT recommends coverage for medical insurance, emergency evacuation and trip cancellation. MHT has an insurance partner for travel protection, Allianz Account # F034215 [www.allianztravelinsurance.com](http://www.allianztravelinsurance.com) or call 1-866-884-3556 Allianz Global Protection. Trip cancellation, or insuring your trip cost, will give you the most comprehensive coverage to include medical and evacuation in addition to protecting your tour investment in the event you need to cancel prior to departure. I/we understand that it is my responsibility to decide on the best policy for my situation and risk tolerance.

I/We are vaccinated By checking this box, I confirm that everyone in my party has received the Covid-19 vaccination.
